## Independent Auditor's Report

---

### To the Members of Council, Inhabitants and Ratepayers of Corporation of the Township of Plummer Additional

We have audited the accompanying consolidated financial statements of Corporation of the Township of Plummer Additional, which comprise the consolidated statement of financial position as at December 31, 2016 and the consolidated statements of operations, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Opinion*

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of Corporation of the Township of Plummer Additional as at December 31, 2016 and the consolidated results of its operations, change in net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

# Corporation of the Township of Plummer Additional Consolidated Notes to Financial Statements

December 31, 2016

---

## 1. Significant accounting policies

The consolidated financial statements of the municipality have been prepared in accordance with Canadian public sector accounting standards, as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

**Basis of Consolidation** These consolidated financial statements reflect the assets, liabilities, sources of financing and expenditures of all municipal organizations, committees and boards which are owned or controlled by the municipality, including the Plummer Additional Cemetery Board.

In addition, the following joint local boards/committees have been proportionately consolidated at the indicated percentages:

Bruce Mines and Plummer Additional Recreation Committee - 50%  
Central Algoma Health Centre - 50%

Bruce Mines and Plummer Additional Union Public Library - 50%  
Tri-Neighbours Board of Management - 22%

All interfund assets and liabilities and sources of financing and expenditures have been eliminated.

**Cash and Cash Equivalents** Management considers all highly liquid investments with maturity of three months or less at acquisition to be cash equivalents.

**Tangible Capital Assets** Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing once the asset is available for productive use as follows:

Land improvements	10 years
Buildings	10 to 50 years
Machinery and equipment	5 to 20 years
Vehicles	8 to 10 years
Furnishings and fixtures	5 to 40 years
Infrastructure	7 to 50 years

**Collection of Taxes on Behalf of Other Taxation Authorities** The municipality collects taxation revenue on behalf of other entities. Such levies, other revenues, expenses, assets and liabilities with respect to the operations of these other entities are not reflected in these consolidated financial statements.

**Trust Funds** Funds held in trust by the municipality and their related operations are not included in these consolidated financial statements. The financial activity and financial position of the trust funds are reported separately.

---

## Corporation of the Township of Plummer Additional Consolidated Notes to Financial Statements

---

### 1. Significant accounting policies (continued)

<b>Retirement Benefits and Other Employee Benefit Plans</b>	The municipality provides pension benefits to specified employees through the Ontario Municipal Employees Retirement Fund OMERS, a multi-employer plan. The municipality's contributions due during the period are expensed as incurred. The municipality provides other post-employment benefits. These costs accumulate over the period of service provided by employees and are determined using management's best estimates.
<b>Deferred revenue</b>	Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes are accounted for as deferred revenue on the consolidated statement of financial position. The revenue is recognized in the consolidated statement of operations in the year in which it is used for the specified purpose.
<b>Government Transfers</b>	Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.
<b>Revenue Recognition</b>	<p>Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. Taxes receivable are recognized net of an allowance for anticipated uncollectable amounts.</p> <p>Conditional grant revenue is recognized to the extent the conditions imposed on it have been fulfilled. Unconditional grant revenue is recognized when monies are receivable.</p> <p>Grants for the acquisition of tangible capital assets are recognized in the period in which eligible expenditures are made.</p> <p>Sales of service and other revenue is recognized on an accrual basis.</p>

---

### 2. Taxes receivable

	2016	2015
Current year levies	\$ 254,239	\$ 167,080
Previous years levies	108,947	100,942
Penalties and interest	16,366	15,602
Allowance for doubtful collection	<u>(50,000)</u>	<u>(30,000)</u>
	<u><b>\$ 329,552</b></u>	<u><b>\$ 253,624</b></u>

---

## Corporation of the Township of Plummer Additional Consolidated Notes to Financial Statements

**December 31, 2016**

---

### **3. Solid Waste Closure and Post-Closure Liabilities**

The Township, together with the Towns of Thessalon and Bruce Mines organized the Tri-Neighbours Board of Management to study, establish and operate a landfill site.

Landfill closure and post-closure requirements include final covering and landscaping of the landfill, storm water management, purchase of buffer lands, monitoring wells, fees, ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions with respect to events extending over a fifty year period using the best information currently available to management. Future events may result in significant changes to total estimated expenditures, capacity used or total capacity and estimated liability. Any such changes would be applied prospectively as a change in estimate, when applicable.

The landfill site is expected to reach capacity in 2038 after which the period for post-closure care costs is estimated to be 25 years. The estimated liability for landfill closure and post-closure costs is recognized as the landfill site's capacity is used and the reported liability reflects a discount rate of 5.8%.

The mandate of the existing Tri-Neighbours Board of Management to operate and close the site ceases upon closure, projected to be in 2038. The Township's estimated 22% share of total net present value of expenditures to close and maintain the landfill site is approximately \$25,361 (2015 - \$22,970) as at December 31, 2016, based on the 44% (2015 - 41%) cumulative capacity used at that date.

---

### **4. Accumulated surplus**

#### **Allocation of annual surplus (deficit)**

	<b>2016</b>	<b>2015</b>
Equity in tangible capital assets	\$ (351,611)	\$ 78,733
Reserves and reserve funds	179,485	57,338
General surplus (deficit)	11,996	15,020
Unfunded landfill liabilities	(986)	6
Unfunded capital expenditures	883	222
	<hr/>	<hr/>
	<b>\$ (160,233)</b>	<b>\$ 151,319</b>

#### **Accumulated surplus, end of year**

	<b>2016</b>	<b>2015</b>
Equity in tangible capital assets	\$ 2,881,310	\$ 3,232,921
Reserves and reserve funds	1,228,933	1,049,448
General surplus/deficit	52,195	40,199
Unfunded landfill liabilities	(10,459)	(9,473)
Unfunded capital expenditures	-	(883)
	<hr/>	<hr/>
	<b>\$ 4,151,979</b>	<b>\$ 4,312,212</b>

---

## Corporation of the Township of Plummer Additional Consolidated Notes to Financial Statements

**December 31, 2016**

---

### **5. Taxation**

	<b>2016</b>	<b>2015</b>
Residential and farmland	\$ 1,348,522	\$ 1,310,759
Commercial and industrial	206,520	82,837
Taxation from other governments	<u>10,874</u>	<u>10,319</u>
 Deduct: amounts received or receivable for school boards	 <u>1,565,916</u>	 <u>1,403,915</u>
	 (201,687)	 (170,061)
	 <b>\$ 1,364,229</b>	 <b>\$ 1,233,854</b>

Property tax billings are prepared by the municipality based on an assessment roll prepared by the Municipal Property Assessment Corporation ("MPAC"), an agency of the Ontario government. All assessed property values in the municipality were reviewed and values established based on a common valuation date which was used by the municipality in computing the property tax billings. However, property tax revenue and taxes receivable of the municipality are subject to measurement uncertainty as ratepayers may appeal the values assessed.

---

### **6. Employee benefits plans**

The municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of eligible members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The municipality's contributions to OMERS equal those made by the employees. During the year, the municipality contributed \$25,416 (2015 - \$28,079) to the plan. As this is a multi-employer pension plan, these contributions are the municipality's pension benefit expense. Contribution amounts are determined by OMERS which adjusts rates to reflect actuarial requirements. Any surplus or deficit of the pension plan is not included in the municipality's financial statements.

The municipality provides continuing coverage of life insurance and health benefits for employees who are on long term disability or workers compensation. The municipality accrues the liability for these employee future benefits over the service periods in which the employees earn the benefits. The cost of these employee future benefits is determined using management's best estimate.

---

### **7. Funds held in trust**

Funds held in trust by the municipality for cemetery care and maintenance amounting to \$84,413 (2015 - \$81,613) are not included in these financial statements but are reported upon separately.

---

### **8. Public Sector Salary Disclosure Act**

For 2016, no employees were paid salaries, as defined in the Public Sector Salary Disclosure Act, 1996 of \$100,000 or more.

---

# **Corporation of the Township of Plummer Additional Consolidated Notes to Financial Statements**

**December 31, 2016**

---

## **9. Segmented information**

The municipality is a diversified local government institution that provides a wide range of services to its citizens. For management reporting purposes, municipal operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Municipal services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

### **General government**

The administration department oversees the delivery of all government services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of council.

### **Protection**

Protection is comprised of the police, fire/emergency, by-law enforcement and building inspections departments. The mandate of the police department is to ensure the safety of the lives and property of citizens; preserve peace and good order; prevent crimes from occurring; detect offenders; and enforce the law. The fire/emergency department is responsible to provide fire suppression service; fire prevention programs; training and education related to prevention, detection or extinguishment of fires. The by-law enforcement and building inspection department ensures properties are in compliance with applicable legislation, by-laws, building standards and construction codes.

### **Transportation**

The transportation department is responsible for the delivery of municipal public works services related to the planning, development and maintenance of roadway systems, winter control and street lighting.

### **Environmental**

The environmental department consists mainly of the solid waste disposal utility. The department provides garbage collection and waste minimization programs and facilities for solid waste disposal.

### **Health**

Through the Algoma Health Unit, the municipality contributes to public health services and education and through the Algoma District Services Administration Board, to ambulance services. In addition, this department oversees the care and maintenance of municipal cemeteries.

### **Social and family**

Through the Algoma District Services Administration Board, the municipality contributes to social assistance payments, child care services and social housing.

### **Recreation and cultural**

The recreation and cultural department provides public services that contribute to neighbourhood development and sustainability through the provision of recreation and leisure services such as parks, arena, fitness and sports programs. It provides public services that contribute to healthy communities through partnerships, promotion, prevention, protection and enforcement. The department also contributes towards the information needs of the municipality's citizens through the provision of library services.

---

## Corporation of the Township of Plummer Additional Consolidated Notes to Financial Statements

**December 31, 2016**

---

### **9. Segmented information (continued)**

#### **Planning**

The planning department provides a diverse bundle of services. It manages development for business interests, environmental concerns, heritage matters and neighbourhoods through planning and community development activities. It facilitates economic development by providing services for the approval of all land development plans.

For each reported segment, revenues and expenses include both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies. For additional information see Schedule 2 - Consolidated Schedule of Segment Disclosure.

---

### **10. Budget**

The Financial Plan (Budget) By-Law adopted by Council on July 20, 2016 was prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards); however, some local boards/committees continued to prepare their budgets on a modified accrual basis while Public Sector Accounting Standards require a full accrual basis. Their budget figures anticipated use of reserves and/or surpluses accumulated in previous years to reduce current year expenditures in excess of current year revenues. In addition, their budgets expensed all tangible capital expenditures rather than including amortization expense. As a result, the budget figures presented in the statements of operations and change in net financial assets represent the Financial Plan adopted by Council on July 20, 2016 with adjustments as follows:

<b>Financial plan (budget) surplus (deficit) for the year</b>	\$ (13,584)
<b>Add:</b>	
Capital expenditures	359,575
<b>Less:</b>	
Net inter-fund transfers from reserves	(207,700)
Amortization	<u>(378,663)</u>
<b>Budget surplus per statement of operations</b>	<b>\$ (240,372)</b>

**Corporation of the Township of Plummer Additional

The net book value of tangible capital assets not being amortized because they are under construction/development or have been removed from service is \$3,518 (2015 - \$3,518).

The Municipality holds various works of art and historical treasures. These items are not recognized as tangible capital assets in the financial statements because a reasonable estimate of the future benefits association with such property cannot be made.

<b>end of year</b>	<b>\$ 7,416</b>	<b>\$ 5,345</b>	<b>\$ 159,465</b>	<b>\$ 212,243</b>	<b>\$ 19,437</b>	<b>\$ 2,825,497</b>	<b>\$ 3,518</b>	<b>\$ 3,232,921</b>

The net book value of tangible capital assets not being amortized because they are under construction (or development or have been removed from service) is \$3,518 (2014 - \$22,447).

The Municipality holds various works of art and historical treasures. These items are not recognized as tangible capital assets in the financial statements because a reasonable estimate of the future benefits association with such property cannot be made.

## Independent Auditor's Report

---

To the Members of Council, Inhabitants and Ratepayers of  
Corporation of the Township of Plummer Additional

We have audited the accompanying financial statements of the Trust Funds of Corporation of the Township of Plummer Additional, which comprise the statement of financial position as at December 31, 2016 and the statement of continuity for the year then ended, and a summary of significant accounting policies and other explanatory information.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Trust Funds of Corporation of the Township of Plummer Additional as at December 31, 2016 and the continuity of its trust funds for the year then ended in accordance with Canadian public sector accounting standards.
