

***“We Care For What Really Matters”***

The Community Action Program for Children/  
EarlyON Child & Family Centres  
is a place where parents/caregivers and their children can visit for a  
wide range of services that include:

- Community Playgroup
- Networking with other parents/caregivers
- Speak with Early Years Professional about their child/ren's healthy development and a wide range of issues related to parenting and family life
  - Borrow resources
  - Parenting programs
- Connections to community supports and services
  - Healthy snacks/meals

During this time of social distancing all playgroups and programs  
are closed until further notice.

We are still available to support families.
